

29/09/2014 – Single Skating, Spins

2014/2015 Records of Clarifications from Sport Directors and Technical Committee

**SINGLE SKATING**

**Flying Spins, Junior Short Program**

**QUESTION:**

The requirements for the season 2014-2015 are: landing position – camel, flying position – also camel. What do we consider the “camel” flying position as attained?

**ANSWER:**

A Camel Position in the air counts as attained when the body of the skater does not stay completely upright but moves more into the direction of a horizontal position.
